

## Pure Hyaluronic Acid Solution

Body Care  
**STEP**  
3  
**MOISTURIZE**

### OVERVIEW:

Unlike any other moisturizer, this pharmaceutical grade Hyaluronic acid saturates the skin while allowing it to breathe. Hyaluronic acid stimulates growth factors prompting cellular renewal for wound healing. Use alone or in conjunction with a Hylunia moisturizer for those with dry skin.

### THE HYLUNIA ADVANTAGE:

FEATURES:	BENEFITS:	ADVANTAGES:
Silver (anti-microbial)	Inhibits microbial growth: preserves against microbial proliferation.	Replaces commonly used potentially toxic and sensitizing preservatives.
Hyaluronic Acid in a high concentration.	Promotes continuous hydration on the skin's surface, retaining natural moisture and allowing vital cellular air interchange.	Saturates the stratum corneum keeping it soft, moist and supple. Does not induce allergies or irritation.
100% Free of preservatives, dyes, fragrances, alcohol, lanolin, mineral oil and soap. Cruelty free.	Non-irritating Minimizes inflammation and progression of aging.	Ideal for even the most sensitive or problematic skin.

### SKIN CONCERN:

This product is part of the following product kits (click to view):

[Rosacea Skin Kit](#) | [Acne/Oily Skin Kit](#) | [Psoriasis / Eczema](#)

### PROBLEMS SOLVED:

- » Hydrates, soothes and protects irritated or dry skin. Effective for those with conditions such as psoriasis and eczema.
- » Stimulates healing for very dry, cracked or scaly skin, wounds and abrasions.
- » Slows down evaporation of the natural hydrolipidic protective skin layer, thereby minimizing environmental stressors, and aging processes.
- » Regulates sebum production for those with oily or acneskin.

### HOW TO USE:

For oily/acne skin use as a moisturizer after cleansing. For those with dry skin use under a Hylunia moisturizer for maximum hydration. May be applied to problematic areas on the face and body.

### INGREDIENTS:

Distilled Water with traces of Silver, Hyaluronic Acid, Antimicrobial Complex™

### SIZE:

Retail Size: 2.0 fl. oz. / 59 ml.
