

Healing & Restoring Cream Kapha

OVERVIEW:

Exceptionally concentrated, this is a therapeutic super-moisturizing treatment for very dry skin. It also works well on torn cuticles and rough areas anywhere on the body. As its name testifies, this cream is renowned for healing and restoring sensitive or problematic skin and is used as a treatment in a wide range of skin disorders including eczema, psoriasis, dermatitis, bedsores, burns and after chemotherapy or Accutane treatments.

THE HYLUNIA ADVANTAGE:

FEATURES:	BENEFITS:	ADVANTAGES:
Hyaluronic Acid in a high concentration.	Promotes continuous hydration on the skin's surface, retaining natural moisture and allowing vital cellular air interchange.	Saturates the stratum corneum keeping it soft, moist and supple. Does not induce allergic reactions or irritation.
Silver (anti-microbial)	Inhibits microbial growth: preserves against microbial proliferation.	Replaces commonly used potentially toxic and sensitizing preservatives.
100% Free of preservatives, dyes, fragrances, alcohol, lanolin, mineral oil and soap. Cruelty free.	Non-irritating Minimizes inflammation and progression of aging.	Ideal for even the most sensitive or problematic skin.

PROBLEMS SOLVED:

- » Helps to heal very dry, cracked, scaly skin.
- » Softens thick, calloused skin.
- » Hydrates dry, scaly areas caused by psoriasis and eczema

HOW TO USE:

Massage into clean skin at least once or twice a day, particularly after bathing. Apply liberally to any area that needs extra hydration and protection.
